

# Breast Lift With Implants - Enlarge & Contour Breast Surgery

Canonical: <https://directory.meclinic.com.au/healthcare-medical-services/cosmetic-surgery-procedures/breast-lift-with-implants-enlarge-contour-breast-surgery/>

## Description:

Breast lift with implants is a surgical procedure used to increase breast volume and restore shape simultaneously. This combination procedure addresses droopy breasts, breast asymmetry, and tuberous breasts while enlarging breast volume. The procedure creates a more youthful, firm appearance with improved symmetry and upper breast fullness. Book a consultation at Me Clinic with experienced cosmetic surgeons.
