

Double Chin Liposuction - Facial Contouring Surgery

Canonical: <https://directory.meclinic.com.au/healthcare-medical-services/cosmetic-surgery-procedures/double-chin-liposuction-facial-contouring-surgery/>

Description:

Me Clinic offers double chin liposuction, a minimally invasive procedure aimed at refining facial contours and removing excess fat from the neck and lower face area. The procedure uses small incisions, offers minimal downtime, and allows patients to leave the clinic the same day. Discuss your options and schedule a consultation with Dr Gordon Ku and our experienced team.
