

Blepharoplasty - Cosmetic Eyelid Surgery | Me Clinic

Canonical: <https://directory.meclinic.com.au/healthcare-medical-services/cosmetic-surgical-procedures/blepharoplasty-cosmetic-eyelid-surgery-me-clinic/>

Description:

Blepharoplasty, also known as eyelid surgery, can refine the appearance of your upper and lower eyelids. Me Clinic Melbourne and Tasmania offers surgical and non-surgical options to address excess skin, fat pads, and under-eye bags for a fresher, less tired look while maintaining your natural eye shape.
